Family Night November 8, 2018

The first family night was a huge success! This has been a goal of our BMST Shawn Solner for a long time. We had 38 Members and their families participate in our first of many family nights. With the help of BCRC, we covered the sensitive and ever-growing issue of opioid addiction. Other topics covered were Alcohol, Depression and Gambling. This was a great opportunity to find out about help options available to our members and their families.

Next **FAMILY NIGHT** NWI Local 460 **January 17th** from 5pm-7pm Topic: CPR
Contact Representative Bob Zubrick to Sign up (219) 246-4206
